Lowden Noses Out Local Boys In Wild Game 16-15

In a hectic game Lowden beat the locals Sunday 16-15, with Walcott rallying in the 9th to score 5 runs and fall one short of tying the score.

Hits, errors, mental mistakes and thrills were plentiful during the game the Lowden boys making 16 hits including 3 home runs which came with men on bases, and Schnack for the locals made a home run, Walcott making 21 hits, Lowden had 6 errors and the locals 4. Ballard the visitor's pitching ace was knocked out of the box in the third inning, and Schnack was far from effective through out the game going relieved by Soenke by Soenke in the 8th, who pitched fine ball, but was inserted too late to stem the tide. No doubt the terrific heat was a cause in the wild and woolly game. Lowden although out-hit, got their hits at opportune times, and Walcott's 9th inning rally was cut short when "Picky" with the tying run was caught off of second base. Errors accounted for quite a few runs by both teams.

Manager Hensen has ordered extra practice this week, both fielding and skull practice, and as the season is still young we look for a decided improvement by next Sunday when the boys meet Stanwood on the local diamond. The boys say some team will suffer when they get going. We're for you boys, and let's see you get to work now and "get hot". Let's go.

League Sounding	Won	Lost
Lowden	3	0
Calamus	3	0
Walcott	2	1
Wheatland	2	1
Bennett	2	1
Stanwood	1	2
Grand Mound	1	2
Durant	1	2
Clarence	0	3
Dixon	0	3

Results of other games last Sunday Durant 4, Bennett 5, Clarence 6 Stanwood 13, Grand Mound 7 Dixon 4, Wheatland 0 Calamus 4.

WORLD SALES OF FORD CARS

Dearborn, Mich., May 13.—World sales of Ford passenger cars, commercial cars and trucks totalled 278,553 units in the first four months of 1934, according to announcement today at the Home Office of the Ford Motor Company.

Reflecting the general improvement in business activity and buying power throughout the world, the total was 158.6 per cent greater than the total for the same period of 1933, which was 107,599 units. By every means of comparison, Ford Sales totals in the first four months' period were more than one and one-half times greater than in the same period last year.

The greatest increase was in domestic sales in the United States. The total for the first four months of 1934 was 214,733, which was 176 per cent greater than the 77,758 units sold in the same period last year.

The greatest increase was in domestic sales in the United States. The total for the first four months of 1934 was 214,733, which was 176 per cent greater than the 77,758 units sold in the same period last year. The balance making up the world total included sales of Canadian and European production.

The greatest relative improvement in Ford sales took place in South America and the Far East where the totals for the four months period of 1934 were four times those of 1933; in the British dominions where the totals were nine times greater than last year, and in Canada where the totals were five times that of last year. The sales gain in Europe which was greatest outside the United States in unit volume was 36 per cent over last year's figures.

Domestic Ford production in May expected in May to reach a total of 110,000 units, which is at the rate of 5,000 cars a day. This compares with production of 46,448 in May 1933.

supply on his farm to do so. Especially stock tanks, supply tanks, cisterns old wells, etc. They urge you to fill your cistern the first rainy period, so that in case of fire a good supply of water will mean so much better protection.

The fire department is working on a valve and pipe connection for use with farmers supply tanks so that the pumper outfit can be hooked direct to the supply tank. Any farmer interested in putting such a value on his supply tank can get information from the fire department.

A Werner & Con received another load of Fords Saturday.

WALCOTT SOCIAL AND LODGE NEWS

Mrs. Walter Thome, Sunbury, entertained the Royal Neighbors at cards this week, honors at 500 going to Mesdames Gus Denkmann, Hy Tomberg, E. Werner and Alice Porth. Mrs. Hugo Dietz will entertain at the next meeting.

Mrs. Herbert Moeller entertained the Bridge club and honors went to Miss Corinne Paustian and Mesdames Herman Schneckloth and W. Fitch.

Mrs. Nanie Hass entertained the Durant card club of which she is a member, this week.

Mrs. Alice Porth and Miss Adaline Dietz were initiated into the Royal Neighbors this week and after the business session a Mother's day program was presented. Mrs. Priea received gift as the oldest and Mrs. Harvey Paustian as the oldest and Mrs. Harvey Paustian as the youngest mother present. District Deputy Sarah Black and Mrs. Florence Bridges, state supervising deputy, were among the guests. A social hour followed the business meeting.

ATTENTION

The Walcott American Legion Post No. 548 will hold its regular Memorial Day exercises at the Walcott Cemetery on Wednesday May 30, 1934.

Because the firing squad of the local post will assist the legionnaires of Blue Grass in their observances of Memorial Day, the program at Walcott will begin promptly at 9:15 a.m. The Walcott K. of P. Band will furnish music for the occasion. The program for this day has been arranged as follows:

Music—Walcott K. of P Band
Invocation—Post Chaplain.
America—Audience
Lincoln's Gettysburg Address—John Strohbeen Jr.
In Flanders Fields—Lois Knaack
The Reply—Lois Knaack.
Star Spangled Banner—Band.
Legion Memorial Service—H. W. Banze.
Salute to Dead—Firing Squad.
Taps—Richard Tank
Roll Call of Departed Comrades—Arnold Sendt
Decoration of graves—School children

Rain or shine the firing squad will carry out its portion of the program. Arrangements are also being made to have some of the Blue Grass program given at Walcott.

Legion members are asked to be present at the regular monthly meeting, Tuesday, May 29, 1934.

DID YOU KNOW BY VIC

Florida citrus growers have found the repeal of national prohibition has increased the sale of line, which are used in various drinks.

The ancient method of keeping records on clay is being revised in England by printing itchings of historic places on fired Clay tiles.

The honey bee is the only common bee that loses its sting when it attacks.

Aluminum in various forms is used in production and processing of rubber.

On the Soviet flag the sickle signifies the peasant, the hammer the factory worker and the star the future of the people.

More than 200,000 tires in 22 counties along the Texas gulf were destroyed in a campaign to eradicate citrus canker.

The ukulele was designed from a Portugese instrument called the torapatch violin.

Most wives think their husbands were made to order.

LET'S BE CAREFUL ABOUT CIGARETTES MATCHES AND OTHER FIRE HAZARDS

The big fire in Chicago Saturday should prove a lesson to everyone about being careless in throwing away lighted cigarettes or any such fire hazards in this extreme dry weather. It is a cigarette thrown in the cattle pens caused this big fire.

With everything parched and dry a little more precaution might save thousands of dollars worth of property. LETS PRACTICE SAFETY ALWAYS.

LATER NEWS ITEM ON FIRE TRUCK

The Fire Department disposed of the old fire truck Monday to Riverside, Iowa, and the new truck has been put into service. The boys however are drilling daily to get better acquainted with the new pumper outfit.

The State Highway Commission has rejected all bids for surfacing No. 228 on our Main st, and is calling for new bids to be let this week, but the grading gang have been busy getting this road in shape for surfacing.

Several of our rough streets were also given a "going over" by the County grader, and show a decided improvement.

Graveling of the Walcott-Blue Grass road is also progressing rapidly and this community will surely benefit by these improvements.

ATTENTION! GASOLINE STOVE USERS
BUPANE NATURAL GAS

A new fuel for pressure gasoline stoves, such as Kitchen Kook, Coleman, Pre-Way, Nesco, Auto Gas and others. Converts your present stove without costly changes. Does away with pressure. Eliminates generating. Safe and economical. Does away with carbon and nauseating odors. Turn on the stove and strike a match. Lights and burns like city gas.

You will be surprised to learn that Bupane gas can be used in your present equipment without any changes or alterations of your stove. And the biggest surprise is the economy of operation. Many users claim the cost to be less than high test gasoline. The convenience and safety even without the economy makes this magic fuel for pressure gasoline stoves almost too good to be true. The only way to know for sure, phone

Andresen & Meyer

today for demonstration in your own stove and in your own kitchen, without obligation or cost. Absolutely FREE to you enough of this magic fuel will be furnished for you to see on your own stove exactly how it works.

NEWS ITEMS
The membership drive for the fire truck has not yet been completed and the boys expect to call on every one

not yet canvassed and also urge all signers of pledges to pay as soon as possible.

The Walcott graduating members of the Davenport High School attended the church services at the Trinity Cathedral Sunday morning May 20. Dean R. F. Philbrook delivered the sermon.

o Again we urge all property owners possible to start that curb campaign. Right now is a opportune time to get these improvements at low cost and have a real improvement for your property.

ATTENTION MUSICIANS AND FORMER BAND MEMBERS

A rehearsal of the band will be held at the K of P Hall Monday night May 28th to prepare for the Memorial Day program of the Legion Boys. All local musicians are urged to attend this rehearsal and make a real showing for this program.

FORMER WALCOTT RESIDENT DIED

Mrs. Gerhard Kupper, former Walcott resident, died Thursday May 17, at the family home 1442 West Seventh street following an illness of three years duration.

Surviving besides her husband, are one son, John Kupper, Eve rly; one daughter Mrs. John Griebel, Davenport; one sister Mrs. Catherine Ruefer, Davenport; one brother John Mollenbeck Walcott.
