D. W. Kimberly For State Senator

D. W. Kimberly of Davenport is again a candidate for State Senator. Every person in Walcott and the surrounding country knows that Mr. Kimberly is liberal. He voted for the beer bill and he believes in personal liberty.

Mr. Kimberly was a farmer boy. He was raised on a farm and while he now lives in Davenport he still owns his land and his livelihood comes from the farm. His interests and our interests are therefore identical.

Mr. Kimberly has been in the Senate for several terms and he can be depended upon to look after the interests of this community. His prestige at the State House is a valuable asset to Scott County.

From all appearance he will have little difficulty in returning to the Senate. Do not forget to vote at the primary June 4th.

MEMORIAL DAY

Honor the Nation's Heroes on Memorial Day.

Pause for a solemn thought of gratitude to those men who risked their lives—and to those who met death—in the protection of our great country. The inspiring heroism and patriotic devotion of soldiers and sailors in every war which this nation has fought should give us just pride.

In honor of Memorial Day let us dedicate ourselves to a unified effort to restore a great spirit and prosperity to our community and country for which so many of our heroes have bravely died.

Lest we forget one of our good friends and respected local men, Mr. Rudolph Stoltenberg, need our support at the primary election June 4th. Let's help put Rudolph over the top and have a representative on the Board of Supervisors from Cleona Township.
